The Town of Bethlehem Inland Wetlands and Watercourses Agency is the authority that determines whether an activity is "as of right" or a "permitted non-regulated use" as identified in Connecticut General Statutes (CGS) 22a-40.

If you believe your activity falls under Section 4.1 or 4.2 of the Town of Bethlehem Inland Wetlands and Watercourse Regulations (Regulations) you must ask the Agency for a Jurisdictional Ruling to declare your activity as an "as of right use" or a "permitted non-regulated use" prior to commencement of such operation and use as outlined in Section 4.4 of the Regulations.

A Jurisdiction Ruling is being requested for a proposed activity that is believed to be:

As of Right per CGS 22a-40(a) (Section 4.1 of the Regulations)

Permitted Non-Regulated Use per CGS 22a-40(b) (Section 4.2 of the Regulations)
